

CSE 4000: Final Year Design Project (FYDP)
Reflective Journal Entry
United International University (UIU)

Name: Ikramul Hasan Moral	ID: 0112230489	Sec: D
Group: 261-025	Date:	Week: 1

Reflective Entry (Weekly activities)	Signature and remarks of faculty
We started the project this week and set our direction. • Formed our team and met the supervisor for the first time • Talked over a few possible ideas with him • Chose a topic that uses neural networks to model a chaotic system • Got a clear direction and a list of things to read

Name: Ikramul Hasan Moral	ID: 0112230489	Sec: D
Group: 261-025	Date:	Week: 2

Reflective Entry (Weekly activities)	Signature and remarks of faculty
We spent the week building our background on the topic. • Read papers linked to our project • Worked out the main problem and the maths behind the chaotic system • Looked at how others handled similar work • Settled on our research question and wrote down the objectives
